

Wildwood Nature Explorers

Codes of Conduct

Parent Code of Conduct

Parents and guardians are vital members of our learning community. We ask all participating adults to uphold the following standards to ensure a safe, supportive, and respectful environment for all:

Respectful Communication

Speak and interact with kindness, empathy, and professionalism. All students, staff, and families deserve to feel heard, valued, and respected.

Conflict Resolution

Address any concerns promptly and respectfully—either directly or by reaching out to leadership for support. We believe in constructive, solution-focused conversations.

Non-Discrimination

Help us maintain an inclusive space, free from harassment, discrimination, or exclusion based on race, gender, ability, background, or belief.

Behavior Expectations

Model readiness and responsibility. Arrive on time, come prepared, and demonstrate positive behavior during all program activities.

Collaboration Over Competition

Celebrate teamwork, shared success, and individual strengths. Our focus is on learning and growing together—not winning or comparing.

Inclusivity & Equal Participation

Encourage every child's participation, regardless of skill level or experience. Value each voice and create space for all to contribute meaningfully.

Good Sportsmanship

Celebrate each other's wins, support one another in challenges, and always use kind and uplifting language.

Responsibility

Own your words and actions. Follow through on commitments, respect program guidelines, and contribute to a positive community experience.

Supportive Environment

Offer help, encouragement, and patience. Whether it's in an activity or a moment of conflict, show up with a spirit of support and care for the group.

Student Code of Conduct

At Wildwood Nature Explorers, we believe a simple foundation leads to meaningful growth. Our student expectations are rooted in just three guiding principles:

Be Respectful. Be Kind. Be Mindful.

These three values cover nearly every situation you'll encounter—whether it's sharing materials, listening during group time, or treating nature and each other with care.

We keep it simple, because when we practice respect, kindness, and mindfulness, we create a safe, fun, and inclusive environment for everyone.
